

Dear Sisters of Alpha Gamma Delta,

Greetings from Epsilon Omega Chapter at Truman State University in Kirksville, Missouri! I am excited to tell you about my new volunteer position with the Alpha Gamma Delta Foundation. I am just beginning my term as Collegiate Foundation Representative. With this new position I feel as though I've accomplished one of my life long goals, to be a leader in Alpha Gamma Delta. I am honored to represent all my collegiate sisters in the US and Canada for several reasons, but most of all to increase member knowledge of the Alpha Gamma Delta Foundation and its many programs. I choose to give back to our Fraternity for the many memories and friendships I have gained and the leadership qualities I've acquired through my membership in Alpha Gam.

I would like to give thanks to the women of Epsilon Omega Chapter for supporting me as I made the transition from a shy unsure freshman to the outgoing confident woman I am today. I would not be that woman without the support and encouragement I receive from my Alpha Gam sisters.

My main focus as the Collegiate Foundation Representative is to encourage my collegiate sisters to become more involved with the Foundation. Our Foundation provides support for education, philanthropy and leadership to our Fraternity, our members and our communities. A new opportunity for collegiate members to get more involved with the Foundation was presented for the first time last year, with a theme of "On the Move." This collegiate giving program assists the Foundation in raising funds that are needed to support Foundation sponsored programs like the Leadership Consultant and Leadership Advisor program, TLC, LeaderShape, UIFI, Educational Programs at Convention and much more. The Foundation not only supports collegiate and alumnae members through scholarships and grants but also our Fraternity and The Leadership Institute-Women with Purpose.

This year I challenge all collegiate Alpha Gam sisters and chapters to join me and my chapter as we give back to the Alpha Gamma Delta Foundation and our Fraternity. This can be our way of saying thanks for all the support they provide to us throughout the year and for a lifetime.

If you have any questions about the Foundation or would like to find out more about this year's collegiate giving program please contact me.

Loyally,

Meghan Sherman
